

## Collection 1416

Colours: 32  
Grain: corrected  
Type: pigmented  
Edition: 7.0  
Extra's: user friendly and strong in use

### Article Information

Collection 1416 is a slightly polished pigmented type of leather. The natural look of the elegant print ensures an optimum efficiency. Almost all of the natural characteristics will disappear by polishing the leather. This creates a very uniform and consistent collection, which can perfectly be used for intensive use, both project-based and residential. The leather is finished with a dirt-resistant layer. This collection is available from stock, from half a hide.
