Type:	aniline
Edition:	3.0
Extra's:	flat grain, aniline leather

Article Information

Collection Pure is an aniline leather made on the best selected hides. The natural characteristics of the leather are visible and that's what makes the article so pure. This is an article for a true leather lover!

This leather will get older naturally during usage, this makes collection Pure even more beautiful. The flat grain pattern provides a very special appearance. It's in the name; this is a pure collection.

Please note that one of the characteristics of this aniline leather is the (possible) colour difference within a batch or even within a hide. This top material is available from stock, from half a hide.
