Article Information

Collection Saddle is vegetable tanned. This leather is much more stiff than other collections. The charm of this product is created by its natural characteristics and discolorations in usage. Collection Saddle is made on the shoulder part of the hide, with an average size of 1.30 sqm. The calm colour range of this collection supports this natural product.

This collection is available in 4 different styles

Saddle;	6 colours in thickness 3.0-3.5 3 colours in thickness 2.0-2.6
Saddle touch;	4 colours in thickness 3.0-3.5, flexible version of saddle
Saddle whitewash;	3 colours in thickness 3.0-3.5, flexible version of saddle with whitewash
Saddle nubuck;	5 colours in thickness 3.0-3.5, saddle leather with velour look

Saddle leather can be used for several purposes, such as upholstery of furniture and the insertion of desks. Due to the thickness of the leather it can also be used for self-supporting parts of the furniture. This type of leather is also very applicable for producing leather goods, for covering walls, floors and stairs. Collection Saddle is available from stock per hide(shoulder).
