## Article Information

Collection Royal, 9 typical traditional colours with a hand-brushed, classic effect. The leather is made on beautiful southern German cows. By combining the hand-brushing specialty with a balanced choice of colours, this collection is a unique piece of kind. Collection Royal reminds of the old-fashioned sheep leather. Natural features are visible and are a beautiful part of this leather, therefore these characteristics must be processed visibly. The 9 colours of this semi-aniline leather is available from stock, from half a hide.
