### Article Information

Collection Verve is aniline leather with a special wax on top, made on hides of the European ox. As the name suggests, this is a type of leather to get excited about. To emphasize nature, natural characteristics should be experienced as an addition to this collection, these characteristics must be visibly processed. Collection Verve is extremely suitable for bags, leather goods, tough projects and the residential market. By providing a special wax on top, this aniline leather is slightly protected. Beautiful leather, with a user manual. The 13 colours are available from stock, from half a hide.
