

Collection Highland

Colours:	6
Grain:	full grain
Type:	aniline leather with oil
Edition:	1.0
Extra's:	special oil effect

Article Information

Collection Highland made on specially selected South-American hides, with a clearly visible grain and a fantastic touch. These three elements ensure a beautiful and rich type of leather. The living environment of these cows in combination with the special recipe of the oil topping, make the article a very special one of its kind. Suitable for residential furniture, high-end projects and various leather goods.

Additonal information aniline leather

In use, one must take into account that the contact parts become greasy / greasy.

In addition to the user characteristics, the material is sensitive to various types of light. Light may cause any discoloration. Placing aniline leather in direct daylight is therefore not recommended.

However, the material will always continue to show its beautiful usage characteristics.

For appropriate maintenance advice, please contact info@ohmannleather.com or +31 (0) 55 360 26 26.
